## Some Kindergym Guidelines to consider

### No Casual visits

Due to waiting lists we can no longer accept casual attendances and payments. Casual membership takes up a position of somebody who can attend full time. We thank you for your understanding in relation to this matter.

### Insurance Cover for babies

Babies who are crawling on the floor and not contained in a baby carrier during a siblings Kindergym session will need to pay **\$10 per term for insurance cover to protect them in case of accidental injury.**

### Food Free Zone

Due to several children suffering severe anaphylactic reactions to certain foods Kindergym is a food free zone. Please feed your child prior to attending your session or outside the Kindergym Hall.

Thank you for helping to keep our little people safe.

## Feeding babies and supervising siblings

We appreciate it is difficult when you have more than one child to tend to however we are concerned that when babies are being fed during session times there is often not a dedicated adult supervising the sibling.

It is a Kindergym expectation that an adult supervises their child to minimise the risk of falls and accidents occurring.

We would like to request that, where possible, another adult be available to supervise your child if you need to feed your baby. If this isn't an option please endeavour to feed your baby prior to coming to Kindergym.

Thank you for helping us to keep our little people safe!

## Kindergym Matters

We would appreciate parents and carers assisting us by:

### Upon your arrival:

- Please check your name off with Andrea (essential in case of evacuation to have accurate roll)
- Please remove your child's shoes AND socks (it is unsafe to climb in socks)
- Please remove your shoes and pin your name tag on (located on bench inside door)

### During the session:

- Supervise your child at all times – if you need to briefly leave your child at any time (egg: visit the toilet) please advise a staff member so we may supervise in your absence
- Interact with your child, encourage them and play with them. You can make a huge difference to your child by spending **1** hour of quality time with them each week.
- If your child chooses not to participate in the group times please remove them from the group and sit quietly with them

to ensure minimal disturbance to the warm up and cool down sessions.

- Parents and carers listen to the discussions so that you can talk with your child about what they have learnt.

### After your session:

- Please organise your child promptly to ensure minimal congestion in the Kindergym venue and the car park at lesson changeover times. Thank you.
